Hempstead Public Schools

Dear Hempstead Community,

It is an incredible honor to step into the role of **Interim Superintendent of the Hempstead Union Free School District**. This opportunity fills me with deep gratitude, purpose, and excitement. It is an honor to serve a community that I have proudly been a part of the Hempstead Learning Community for 29 years. I am committed to consistently surrounding students with unwavering support, compassion, and elevated expectations.

As we look to the future, inspired by the solid foundation we have built together, the unity we continue to foster, and the shared optimism that drives our path forward. For the 2025–2026 school year, our district will remain steadfast in its commitment to enhancing academic programs at every level. From early childhood through high school, we are expanding opportunities in science, technology, the arts, and career readiness ensuring each student has access to learning pathways aligned with their passions and goals.

I am proud to share that **all our schools currently remain in good standing**, a designation by the New York State Education Department that reflects the dedication and hard work of our students, educators, and families. At **Hempstead High School**, we will continue to grow flagship programs such as Smart Scholars, JROTC, Career and Technical Education, and our Music and Arts programs. It is with immense pride that I want to announce that an increasing number of students are earning the **Seal of Civic Readiness** and the **Seal of Bilingualism**. Additionally, Hempstead students' acceptance to premier colleges across the nation has increased. Our district continues to shine as a place where academic achievement and personal growth go hand in hand.

We are especially excited to announce the launch of an **accelerated program for incoming 7th and 8th grade students at ABGS Middle School**. Starting in the 2025–2026 school year, students in this program can earn up to four high school credits before entering high school. In addition, they will have the opportunity to join the **Law Club**, compete in **Mock Trial competitions at Hofstra University**, and become members of the **Junior National Honor Society**. All the offerings listed above provide students with many enriched experiences.

Our mission is to ensure that every child leaves elementary school with strong literacy and numeracy skills, a love of learning, and the confidence to thrive in middle school and beyond. To achieve this, we will continue implementing a rigorous curriculum featuring **Foreign Language in the Elementary Schools (FLES)**, the **International Baccalaureate Framework, STEM**, and the **Science of Reading**. We will use data to personalize instruction, provide prompt interventions, and deliver enrichment opportunities that strengthen our academic foundation.

Our **Fine Arts and Music** programs also continue to flourish districtwide. This past year, our students and staff presented wonderful performances of Annie and Shrek the Musical, highlighting the extraordinary talent within our district. These successes are more than just artistic achievements; they reflect our commitment to educating the whole child and celebrating every student's unique strength.

To ensure a **safe, focused, and efficient learning environment**, we will fully implement **Governor Hochul's Distraction-Free Schools mandate** beginning on the first day of school. Per District Policy 5695, **the use of cell phones and other internet-based devices during the school day for the upcoming 2025-2026 school year**. Students must follow the procedures established by their building principals. While we recognize this may be an adjustment, we believe this policy supports academic focus, mental wellness, and overall school safety. Our goal is to protect instructional time and support a school culture rooted in **respect, responsibility, and readiness**.

In closing, I want to extend my sincere thanks to all **staff members and the Board of Education** for their commitment to excellence. This is an exciting time for the Hempstead Union Free School District. I look forward to partnering with you throughout the 2025–2026 school year as we continue to pursue greatness together.

Let us build on our district's strengths and seize every opportunity ahead, united by a clear purpose, shared responsibility, and a steadfast belief in the limitless potential of our students.

Committed to Innovation,

Gary Rush

Interim Superintendent of Schools

Hempstead Union Free School District

Querida Comunidad de Hempstead,

Es un honor increíble asumir el cargo de Superintendente Interino del Distrito Escolar Hempstead Union Free. Esta oportunidad me llena de profunda gratitud, propósito y entusiasmo. Es un privilegio servir a una comunidad de la cual he formado parte con orgullo durante 29 años como miembro de la Comunidad Educativa de Hempstead. Estoy comprometido a rodear a nuestros estudiantes con un apoyo inquebrantable, compasión y expectativas elevadas.

Mirando hacia el futuro, nos inspira la base sólida que hemos construido juntos, la unidad que seguimos fomentando y el optimismo compartido que guía nuestro camino. Para el año escolar 2025–2026, nuestro distrito se mantendrá firme en su compromiso de fortalecer los programas académicos en todos los niveles. Desde la primera infancia hasta la escuela secundaria, ampliaremos las oportunidades en ciencias, tecnología, artes y preparación profesional, asegurando que cada estudiante tenga acceso a trayectorias de aprendizaje alineadas con sus pasiones y metas.

Me enorgullece compartir que todas nuestras escuelas actualmente se mantienen en buena posición, una designación del Departamento de Educación del Estado de Nueva York que refleja la dedicación y el arduo trabajo de nuestros estudiantes, educadores y familias. En Hempstead High School, seguiremos fortaleciendo programas emblemáticos como Smart Scholars, JROTC, Educación Técnica y Profesional, y nuestros programas de Música y Artes. Con inmenso orgullo anuncio que cada vez más estudiantes están obteniendo el Sello de Preparación Cívica (Seal of Civic Readiness) y el Sello de Bilingüismo (Seal of Bilingualism). Además, ha aumentado la aceptación de nuestros estudiantes en universidades de prestigio a nivel nacional. Nuestro distrito continúa destacándose como un lugar donde el logro académico y el crecimiento personal van de la mano.

Nos entusiasma especialmente anunciar el lanzamiento de un programa acelerado para los estudiantes que ingresan a los grados 7 y 8 en la Escuela Intermedia ABGS. A partir del año escolar 2025–2026, los estudiantes en este programa podrán obtener hasta cuatro créditos de escuela secundaria antes de ingresar al high school. Además, tendrán la oportunidad de unirse al Club de Derecho, competir en competencias de Juicio Simulado (Mock Trial) en la Universidad de Hofstra, y convertirse en miembros de la Sociedad Nacional de Honor Juvenil. Todas estas oportunidades brindan experiencias enriquecedoras para nuestros estudiantes.

Nuestra misión es garantizar que cada niño termine la escuela primaria con sólidas habilidades de lectoescritura y matemáticas, amor por el aprendizaje y la confianza para prosperar en la escuela intermedia y más allá. Para lograrlo, continuaremos implementando un currículo riguroso que incluye Lengua Extranjera en las Escuelas Primarias (FLES), el Marco de Bachillerato Internacional (IB), STEM y la Ciencia de la Lectura. Utilizaremos datos para personalizar la instrucción, proporcionar intervenciones oportunas y ofrecer oportunidades de enriquecimiento que fortalezcan nuestra base académica.

Nuestros programas de Bellas Artes y Música también siguen floreciendo en todo el distrito. Este año, nuestros estudiantes y personal presentaron maravillosas producciones de Annie y Shrek el Musical, resaltando el talento extraordinario dentro de nuestro distrito. Estos logros van más allá del arte: reflejan nuestro compromiso de educar al estudiante de manera integral y de celebrar la fortaleza única de cada uno.

Para garantizar un entorno de aprendizaje seguro, enfocado y eficiente, implementaremos por completo el mandato de Escuelas Libres de Distracciones del Gobernador Hochul desde el primer día de clases. De acuerdo con la Política del Distrito 5695, estará restringido el uso de teléfonos celulares y otros dispositivos con acceso a internet durante el horario escolar para el año académico 2025–2026. Los estudiantes deberán seguir los procedimientos establecidos por los directores de cada escuela. Si bien entendemos que esto puede representar un cambio, creemos que esta política apoya el enfoque académico, el bienestar mental y la seguridad escolar en general. Nuestra meta es proteger el tiempo de instrucción y fomentar una cultura escolar basada en el respeto, la responsabilidad y la preparación.

Para finalizar, quiero expresar mi más sincero agradecimiento a todo el personal y a la Junta de Educación por su compromiso con la excelencia. Este es un momento emocionante para el Distrito Escolar Hempstead Union Free. Espero poder colaborar con todos ustedes durante el año escolar 2025–2026, mientras seguimos persiguiendo la grandeza juntos.

Construyamos sobre las fortalezas de nuestro distrito y aprovechemos cada oportunidad que se nos presente, unidos por un propósito claro, una responsabilidad compartida y una firme creencia en el potencial ilimitado de nuestros estudiantes.

Comprometido con la innovación,

Gary Rush
